

BID Clifton Village

01 Newsletter | January 2013

We are pleased to be distributing our first official Newsletter as BID CLIFTON VILLAGE. Every month we plan to distribute a Newsletter which will keep everyone informed as to what's happened, what's going on and what's planned for the coming months in Clifton Village.

BID Manager

We are pleased to announce that we have appointed a BID Business Manager and he will be working for us from 15th January 2013. Carl Francis Pester comes to us with a wealth of experience and we believe he will be a great asset to BID Clifton Village.

Steering Groups

Over the coming weeks we are looking to formalise various Steering Groups and are looking for enthusiastic and informative people to help us to achieve the objectives set out in our Prospectus.

We need members for the following committees:

- + Event Management
- + PR / Marketing / Communications
- + Website Development
- + Finance / Legal / Governance
- + External Funding
- + Projects (parking, waste, etc.)

If you have some time to spare – Clifton needs your help. If you're not too sure what's involved, please come and have a chat at the **Drinks Party** or email bid@cliftonvillagetraders.org.

Data Base

It is important that we compile a comprehensive data base of all members of BID Clifton Village. If you haven't done so, can you please email the following to bid@cliftonvillagetraders.org.

Contact name • company name • address • phone number.
As well as a brief 50 word summary of your business.

Drinks Party - 25th January

On Friday 25th January we are holding an informal Meet & Greet Drinks Party at

The Avon Gorge Hotel
from 6.00 p.m. - 8.00 p.m.

where everyone will have the opportunity to meet Carl and talk about what lies ahead for BID Clifton Village.

Last year's Drinks Party was a great success and a perfect way to informally meet your neighbours.
We look forward to welcoming you.

Gromit Unleashed in Clifton Village

We are pleased to announce that BID Clifton Village has secured one of the 60 Gromits that will be 'unleashed' onto the streets of Bristol in July. These 5ft Gromits will be on view from 1st July for 10 weeks to raise awareness and funds for the Wallace & Gromit Grand Appeal for Bristol Children's Hospital. Following on from the success of the Gorillas they are bound to bring a lot of fun and footfall to the Village.

Whilst this is only the start of the year, BID Clifton Village has been working hard over the past few months and lots will be revealed soon. We are all part of BID Clifton Village and we welcome any news, information and support you can give.
